

HALES MACHINE TOOL^{ZNC}

Doosan Infracore

CNC Turning Centers,
Vertical and Horizontal
Machining Centers and
Gantry Loaders

At your side.

High Speed Drill / Tap
Machining Centers

High Precision Vertical and
Horizontal Machining Centers
Specializing in Mold and Die
Applications

High Precision Cylindrical
Grinding Solutions from
UNITED GRINDING

Deep Hole Gun Drills

High Precision Grinding
Solutions for Tooling,
Punches & Orthopedic
Instruments from
UNITED GRINDING

Ultra High Precision
Jig Borers and Machining
Centers

Automatic Band and Circular
Saws

Medium to Large Size
Milling / Boring Machines

Solutions to Work Holding
and Affordable Chip
Compacting

2730 Niagara Lane N.
Plymouth, MN 55447

Hanwha

CNC Swiss Turning Lathes

AMADA WASINO AMERICA, INC.

High Precision Turning and
Machining Centers with Load
and Unload Automation
High Precision Surface
Grinders

High Precision Profile
Grinding Solutions from
UNITED GRINDING

Large Capacity Horizontal
and Vertical Turning Centers

Eurotech Elite

Multi-Axis, High Speed
Turning Centers

4 & 5 Axis High Precision
Machining Centers and Large
Machining Centers
with up to 2 Meter
Pallet Systems

Horizontal and Vertical
Production Band Saws

5-Axis and 3-Axis Micro
Machining Center Capable of
Sub-Micron Performance
